

Celebrating our rich and diverse curriculum

Noye's Fludde

13th July 2017

As part of the Golden Jubilee celebrations, Sacred Heart Choir took part in a one act opera by Benjamin Britten called 'Noye's Fludde'. About 600 children from Liverpool Archdiocese schools took on the role of animals. It was a wonderful opportunity for our pupils to take part in such a large scale event with professional singers and with an orchestra.

As it was a gorgeous Summer day, we went to the docks for a look around the Maritime Museum and a picnic tea!
