

## WHAT CAN WE DO?

Dawn works alongside class teachers, support staff and with the full involvement of Miss

Morrow to ensure intervention is planned appropriately for your child and is effective alongside their normal learning journey.

This could mean, with your permission, a short programme: one to one, paired with a friend or in a nurture group. Designed to meet your child's needs.

It could be also be *light touch* intervention during playtimes or during lunch. It could be doing what mentoring actually means:

*...a trusted friend.*

## SPECIALIZED RESPONSIBILITIES:

The Learning Mentor also runs whole school and class initiatives, raising awareness of the diversity of Personal, Social and Health Education:

### *P.S.H.E.*

If you have any additional queries relating to:

- Multi agency co-ordination (Early Help)
- Children Looked After
- Counselling etc
