

Reception Autumn Term

During the first half term we have been getting to know each other. We have made lots of new friends and we are getting along very well.

We love our new classroom and we are becoming very good at using the different areas in our classroom.

MATHEMATICS

In Mathematics we are practising our counting and learning how to recognise numbers.

We enjoy using our Mathematics Area to apply our learning.

LITERACY

In our class we have been learning about Bears. We enjoy listening to lots of bear stories.

During our Literacy lessons we have been learning how to write our names. We are also learning lots of different sounds. We like thinking of things that have the same initial sound as our name!
