

Humanities Autumn Term Update

Year Group	Topic	What I Now Know ...
One	Make A Difference	“We have been learning about significant people” The class have been learning about our community and significant people in art, history and in science.
Two	Sea and Oceans	“We can locate Britain on a map and we can tell you about landmarks in Atherton.” The class conducted a field trip around the local area to survey the land use and to create maps of the local area around the school.
Three	Types of Settlement	“ We now know all the continents of the world and we can tell you about the United Kingdom” The class have identified land use in our locality.
Four	Climate Zones	“We can tell you what a rainforest is and where they are in the world” The class have compared climate zones using the globes and atlases.
Five	Trade and Economic Activity	“We know what fair-trade is and how countries trade with one another and what the word ‘economy’ means.” The children have explored the tea and coffee trade and why people should support ‘fair-trade.
Six	Case Study: Hinning House	“We have explored the grounds at Hinning House, used maps and can tell you the differences and similarities comparing Cumbria to Atherton. “
