

Reception Spring Two

Role Play

Mother's Day

Lenten Tree

In our class we have been learning about Spring Celebrations.

TOPIC

MATHEMATICS

In Mathematics we have been practising our subtraction skills. We are getting much better at recording our calculations.

We have also been learning how to tell the time. We loved using different resources to make clocks!

LITERACY

During Literacy lessons we have been practising our sentence writing. We have been trying to remember that a sentence starts with a capital letter and ends with a full stop.

We enjoy partaking in our daily 'Super Sentence Writing' activity during rolling registration. We all want to be Super Sentence Writers!
