

Autumn 1 English Update

Reception have been learning how to form the letters 's' and 'a'. They are learning the sounds and practising their handwriting.

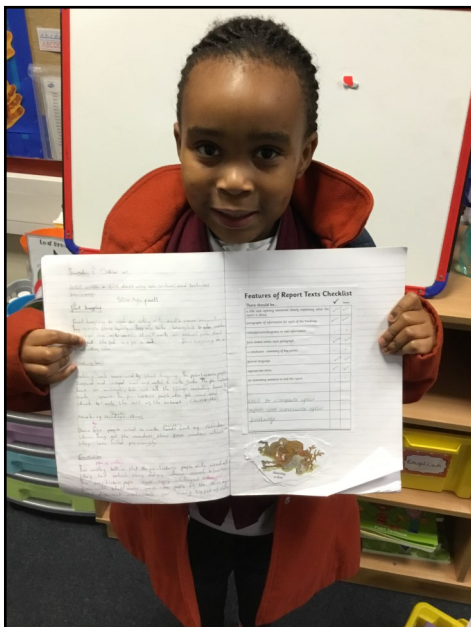

Year 1 have been reading 'Billy's Bucket' and have been writing sentences using two **adjectives** with a **comma**. They are working hard to use **cursive handwriting**.

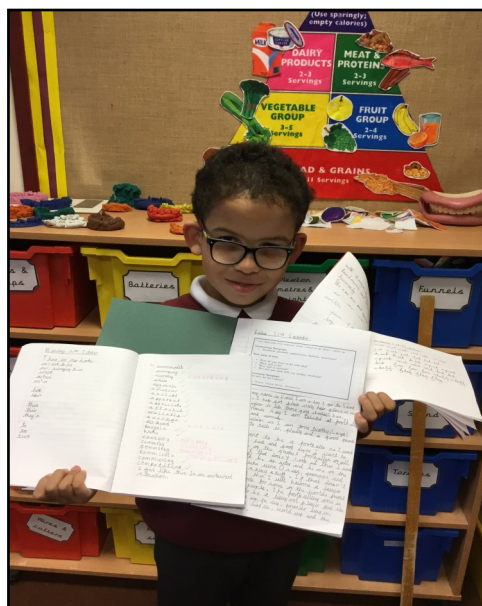

Year 2 are working very hard with their **spellings**. They are all using their own individual spelling ladders to make progress.

Year 3 have loved reading 'The Stone Age Boy' and they have been writing their own reports using a checklist to check that they have included all the main features of their report.

Year 5 are working so hard to produce **cursive joined up** handwriting, not only in their handwriting books but in all of their other books too!

Year 6 have been reading 'Boy' by Roald Dahl. They are now working hard to write their own autobiographies. They are all able to confidently **edit** their work using **Perfecting Pink Pens**.
