

Celebrating our rich and diverse curriculum

Lockerbie

8th - 10th February 2017

Congratulations to Y5 who have successfully completed the outdoor adventure challenge in Lockerbie, Scotland. This year's activities included: zip wire, team games, abseiling, orienteering, scavenger hunt, obstacle course and the night torchlight walk. As usual, plenty of mud and plenty of fun! Strengths of character such as courage, persistence and team work were evident. Our Y5 pupils represented us well and were a pleasure to be with, on this their first school residential. It's off to Hinning House in the Lake District next year.
