

Reception Autumn Two

Spooky Day

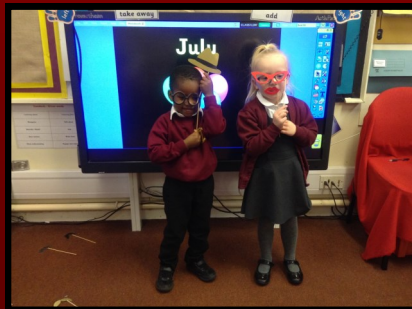

Bonfire Night

Diwali

Birthdays

In our class we have been learning about Festivals and Celebrations.

TOPIC

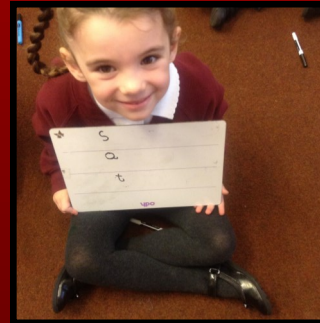

MATHEMATICS

In Mathematics we have been using our number and counting skills to add and subtract. We have also started to learn about 3d shapes and repeating patterns.

We enjoy using our Mathematics Area to apply our learning.

LITERACY

During Literacy lessons we have been learning how to read and write simple words. We have been applying our Phase Two learning in continuous provision.

We have also enjoyed learning lots of different rhymes to help us remember how to form our letters!

a - apple. *Around the apple and down the leaf*

p - pirate. *Down his plait, up and around his head.*
