Mrs Rabbani would like to find out about achievements in sport out of school for example in community clubs and teams. We know too that some of our pupils compete at a high level in certain sports such as swimming, gymnastics, martial arts and with horse riding. She would also like to know about dance achievements.

Pupils are invited to bring in a short biography of themselves and their achievements in sport or dance. Images of certificates, teams, trophies etc... can be included.

All those who submit will be entered into a draw for a sporty prize!
Closing date for entry is **Friday 8th June.**
