

Celebrating our rich and diverse curriculum

Chinese Music Workshop

Monday 23rd January 2017

Theresa from 'Chineseaway' visited to teach us more about Chinese culture. She brought an interesting selection of musical instruments on which she performed some very Chinese sounding music; some delicate and quiet and some loud and crashing! Some lucky volunteers also got some hands on experience!

In 2017 Chinese New Year was celebrated on Saturday 28th January.
It is the year of the rooster!
