

Celebrating our rich and diverse curriculum

British Values

January 2018

Our new British Values display has been installed on the perimeter fence - a New Year surprise! Earlier in Autumn Term, each of the four KS2 class worked with artist Mandy Beck McKim, designing and creating the display. Their work was photographed and copied onto two large digital panels. British Values celebrated are:

- Individual liberty
- Rule of law
- Democracy and making decisions together
- Mutual respect and tolerance
