## *A Journey in Love*

- an introduction to the programme
- its structure and content

- RSE is the life long learning about physical, moral and emotional development.
- It is the understanding of the importance of marriage for family life, stable and loving relationships, respect, love and care.
- It is also about the teaching of sex, sexuality and sexual health

# RSE at Sacred Heart

- RSE forms a part of the PSHE, RE and Science Curriculum
- Science, PSHE, RE and RSE will have overlapping areas
- Our key objective is the well-being of the child
- Parents have the right to withdraw their children from elements of SRE education
- We believe parents are the first educators of their children
- The school, church and family will work together; our role as a school is to support you and not to replace you

# *A Journey in Love*

The central message of the Christian faith is love.

The central message of our RSE teaching is love.

**“My commandment is  
this: love one another,  
just as I have loved you”**

John 15:12
