Other notices:

Children wearing ear studs that cannot yet be removed should wear loose fitting plasters over them for the time being.

For health and safety reasons, please do not bring dogs into the school playground or leave them tied to the railings without supervision.

To avoid the spread of headlice in school, remember to wet comb children's hair regularly. Products are available on prescription.

Please make safety a priority at school drop off and pick up times. As often as possible, avoid driving down this end of Lodge Rd and if you do, please park safely and sensibly. Parking on corners, yellow zigzags, double parking etc....puts children at risk of harm. When parking, please also be considerate to local residents by keeping access to driveways free.

Thank you!

A small donation for CAFOD eg. £1 is the best way to celebrate birthday in school. Please note that children are discouraged from bringing in treats for the whole class. To avoid any disappointment on the day, please do not send in sweets, cakes and especially lollipops.

Sacred Heart raised over £1000 for CAFOD last year!
