### Strengths of Character

## HOPE

Planet Earth is in danger from pollution, waste and from global warming. Pope Francis has written to us in a letter called

*'Laudato Si'*

By working together, we can **hope** for a better future by:

- not wasting energy eg. electricity, water
- stop throwing so much away - recycle and reuse
- live more simply....we don't have to have new and better stuff all the time!

*What do you hope for in 2016?*

Thank you to Oscar and Willow for saying 'Merry Christmas' with a donation to CAFOD. Why not make a small donation eg. £1 instead of bringing lots of cards into school.

We have bought a CAFOD 'donkey' as a way of saying a happy and Holy Christmas to all our friends and families.  
Best wishes for 2016!

Love from all at Sacred Heart xxxx
