We do our best to accommodate any 4.30pm pick up request, however please note that children must join in with the clubs on offer. If staying for a football club, please bring a kit or tracksuit and trainers to change into [does not need to be school uniform kit]. There is a guide to the appropriate skill level of football above. Staff may suggest moving to a different club should they feel that a child is more suitable to a different skill level. One of the reasons for this is safety! It is much safer when children of about the same skill level play football together.

And don't forget our BREAKFAST CLUB.
Open every day throughout the school year.
7.45am-8.45am
£3 daily including breakfast or £2 daily if no breakfast is required
