Dear Parents / Carers,

I hope this newsletter finds you well.

On Tuesday, our Year 6 children who are transitioning to St. Mary's High School spent the morning in their new school. I hope you all enjoyed your time there.

Our Key Stage 2 results were sent to school on Tuesday. We spent Tuesday and Wednesday validating the results, as some children are bordering on the next grade boundary. The children are delighted with their results, as are we. I would like to thank the children and their families for working conscientiously with Mrs Woodward and Mrs Julien towards the national assessments. The schools performance against national standards can be found on the school website. Y6 parents, this should have been shared earlier with you all for convenience.

The Leavers' Mass is on Monday, in school at 9.30am. This will be slightly longer than usual as we have a number of retirees this year, both staff and governors.

Tickets for the Key Stage 2 Performances were sent home with the KS2 pupils this week (per family with the eldest sibling). Please remember to bring them to the performances next week. If you arrive without a ticket you may not be permitted entry.

Your child's report should have been sent home today.

Wishing you all a restful weekend.

Arbor: New System

We will stop using ParentMail for school communications from Friday 30th August. This is in preparation for all communications to be sent via our new system, Arbor, in September. This week all parents / carers should have received a welcome email from Arbor to set up your account. Please check the ParentMail sent this week for guides and information. Please set up your account by the end of next week so that Mr Gore can support you if you run into any problems.

ParentPay:

We will stop using ParentPay on Friday 19th July. Please do not make any payments via ParentPay after this date as accounts are being migrated over to Arbor. Any funds paid into ParentPay after Friday 19th July may not be transferred over to Arbor correctly. Mr Gore will send out a reminder regarding this next week. More information about payments to Arbor for clubs, meals, trips, music, snacks and any other item for the new academic year will be sent in the first week of the holidays.

Outstanding balances:

Please can we ask that you check ParentPay (before Friday 19th July) and make any payments for outstanding amounts. [Please can parents / carers in Year 6 ensure that all balances are up to date.](#)

Bounce-a-Thon: A Huge 'Thank You'

The Friends of Sacred Heart would like to say a huge thank you to all who were able to support the Bounce-a-Thon this week. The total amount raised was an amazing £1571. The next Friends meeting will be in early September where we will make a plan for how the money will be spent. All parents / carers are welcome to join the meeting. The confirmed date will be sent out at the start of the new term.
